

# Roadworx Sound Masking Solutions RWSM-FLAT. (Loudspeaker)

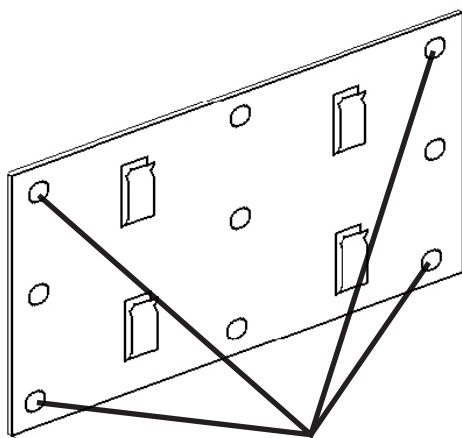

Sound  
Masking

## Sound Masking System Flat Loudspeaker

The RWSM-FLAT loudspeaker is designed to generate optimum masking sound in a tight space where a more standard loudspeaker won't fit. Equipped with two drivers in a dipole configuration, the RWSM-FLAT provides an effective loudspeaker in a very compact form factor.

Use screws to fasten bracket  
to building structure

← Slide speaker onto bracket
